## Donation from The Colorado Health Foundation to Support Staff Well-being

2 messages

ColoradoHealth <do-not-reply@fluxx.io> Reply-To: grants@coloradohealth.org To: Rachel Moore < lakecitymc@gmail.com> Cc: grants@coloradohealth.org

Mon, Oct 24, 2022 at 2:32 PM

October 24, 2022

Dear Rachel Moore,

The Colorado Health Foundation has been monitoring the increasing strain on the nonprofit sector based on our relationship and connections with grantees. Through insight and feedback into the roles staff juggle on a daily basis, we understand the importance staff well-being plays in your organization's ability to advance the important work you do in and for community. We see how the various drivers of stress paired with increasing demands on staff creates unnecessary challenges to this ever-so-critical work.

To that end, the Foundation is offering a wellness donation of \$20,000 to Lake City Area Medical Center. These funds are intended for activities and programming that will support the mental and physical well-being of your staff.

The Foundation will release your donation by the end of the week, at which time you will receive a payment release notification. If you would like to receive the donation payment electronically, and are not already set up for electronic payment within our system, please complete and return this ACH form to finance@coloradohealth.org by Wednesday, October 26th. If you do not plan to receive an electronic payment, the funds will be sent via hard-copy check to the address on file, which is listed below.

You may also connect with us on any payment release questions at grants@coloradohealth.org.

We wish wellness in your staff and success in your work.

Sincerely,

The Colorado Health Foundation

Recipient Address: Lake City Area Medical Center 700 North Henson St. (Mailing: PO Box 999) Lake City, CO 81235

Lake City Area Medical Center < lakecitymc@gmail.com> To: grants@coloradohealth.org

Mon, Oct 24, 2022 at 3:21 PM

To the Colorado Health Foundation:

Thank you so very much. This is so timely!

#### Rachel Moore

Lake City Area Medical Center 700 N. Henson St. Lake City, CO 81235 PO Box 999 Lake City, CO 81235(Mailing) (970) 944-2331 (p) (970) 944-2320 (f)

# SW440BR - PRODUCT SPECIFICATION SHEET

## **PRODUCT DESCRIPTION**

Safe Haven Defense SW440BR laminate offers protection for small arms bullet resistance as well as glass breakage due to burglaries, hurricanes, and blast. SW440BR incorporates an extraordinary capability in protection by allowing individuals INSIDE the structure to fire OUT, while maintaining directional bullet and blunt force resistance from external threats.

## **TECHNICAL DATA**

PROTECTION LEVEL	Exigent Protection
THICKNESS (1 layer)	Varies
NUMBER PLIES	Varies
BREAK STRENGTH	Starting at 1200 psi
TENSILE STRENGTH	32,000psi
PEEL STRENGTH	6psi
TOTAL SOLAR ENERGY	20%
REJECTION	
IR REJECTION	59%
UV REJECTION	99%

## **CERTIFICATIONS & STANDARDS**

ANSI Z97.1 – Bldg. Glaze Materials

CPSC 16 CFR 1201 – Impact Test

Bullet Resistance

ASTM E-1886 – Hurricane Wind

GSA EXPLOSIVE TEST: GSA TS01-2003

UL752 –

BMAG Level 1- Blast Mitigation

Bullet Resistance

UL972 / ULC – 332 – Burglary Protection

(3rd Party Lab)

# **USES/APPLICATION**

Safe Haven Defense SW440BR laminate is applied onsite, to the **INTERIOR** of existing windows in commercial, municipal, and residential buildings. Unlike traditional BR Glass, no special modifications or retrofitting to existing structure needs to be done. Because our laminate can be applied over **existing glass as thin as ¼ inch, Dual Pane ¼ inch and ½ Inch,** customers achieve the end goal of hardening their structure at a significant cost savings to traditional BR Glass

\*Existing window must be inspected to be structurally sound. Window must be free from debris and thoroughly cleaned prior to application.

# **Kevlar – PRODUCT SPECIFICATION SHEET**

#### PRODUCT DESCRIPTION

Safe Haven Defense Kevlar Paneling offers protection for small arms bullet resistance. This is a thermoformable paneling that is flexible in nature until heat is applied to which it holds that shape.

#### **TECHNICAL DATA**

PROTECTION LEVEL	NIJ-3A
THICKNESS	6mm
NUMBER PLIES	1
WEIGHT/SQ FT	1lb/SqFt

## **CERTIFICATIONS & STANDARDS**

NIJ 0108.01 -

**Bullet Resistance** 

(3<sup>rd</sup> Party Lab)

UL752 -

**Bullet Resistance** 

(3<sup>rd</sup> Party Lab)

# **USES/APPLICATION**

Safe Haven Defense Kevlar Paneling is applied onsite, to the **INTERIOR** of existing walls or desks in municipal and residential buildings. The paneling can then be finished with a thin drywall and textured to keep an aesthetically pleasing look.

The paneling is also thin enough to be cut and secured on the inside of vehicle doors and panels. This allows a vehicle to have the industry standard in bullet resistance, without having to modify the suspension or brakes to accommodate for extra weight like the traditional vehicle armor.

# **SW440RC – PRODUCT SPECIFICATION SHEET**

#### PRODUCT DESCRIPTION

Safe Haven Defense SW440RC- Riot Control laminate film offers protection for glass breakage due to forced entry such as burglaries, hurricanes, and blast. SW440RC incorporates an extraordinary capability in protection by hindering entry into your property. Keeping valuables and loved ones safe.

#### **TECHNICAL DATA**

DDOTECTION LEVEL	Evigont
PROTECTION LEVEL	Exigent
	Protection
THICKNESS (1 layer)	30 mil
NUMBER PLIES	2
BREAK STRENGTH	900 psi
TENSILE STRENGTH	32,500psi
PEEL STRENGTH	6psi
TOTAL SOLAR ENERGY	20%
REJECTION	
IR REJECTION	59%
UV REJECTION	99%

## **CERTIFICATIONS & STANDARDS**

**ANSI Z97.1** – Bldg. Glaze Materials

CPSC 16 CFR 1201 - Impact Test

**GSA EXPLOSIVE TEST: GSA TS01-2003** 

**UL972** – Burglary Protection

FLAME SPREAD - ASTM E-84

# **USES/APPLICATION**

Safe Haven Defense SW440RC laminate is applied onsite, to the **INTERIOR** of existing windows in commercial, municipal, and residential buildings. Unlike traditional Riot Control glass, no special modifications or retrofitting to existing structure needs to be done. Because our laminate can be applied over **existing glass as thin as ¼ inch**, customers achieve the end goal of hardening their structure at a significant cost savings to traditional RC glass.

\*Existing window must be inspected to be structurally sound. Window must be free from debris and thoroughly cleaned prior to application.

# SW450 - PRODUCT SPECIFICATION SHEET

## **PRODUCT DESCRIPTION**

Safe Haven Defense SW450 Smash Resistant laminate film offers protection for glass breakage due to forced entry such as burglaries, hurricanes, and blast. SW450 incorporates an extraordinary capability in protection by hindering entry into your property. Keeping valuables and loved ones safe.

#### **TECHNICAL DATA**

PROTECTION LEVEL	Exigent Protection
THICKNESS (1 layer)	15 mil
NUMBER PLIES	2
BREAK STRENGTH	450 psi
TENSILE STRENGTH	32,500psi
PEEL STRENGTH	6psi
TOTAL SOLAR ENERGY	20%
REJECTION	
IR REJECTION	59%
UV REJECTION	99%

## **CERTIFICATIONS & STANDARDS**

**ANSI Z97.1** – Bldg. Glaze Materials

**CPSC 16 CFR** – Architectural Glazing

**GSA EXPLOSIVE TEST: GSA TS01-2003** 

**BMAG Level 1**- Blast Mitigation

ASTM E1996 - Hurricane

# **USES/APPLICATION**

Safe Haven Defense SW450 laminate is applied onsite, to the **INTERIOR** of existing windows in commercial, municipal, and residential buildings. Unlike traditional smash resistant glass, no special modifications or retrofitting to existing structures is required. As our laminate may be applied over **existing glass as thin as ¼ inch**, customers achieve their end goal of hardening their structure at a significant cost savings to traditional SR glass.

\*Existing windows must be inspected to be structurally sound. Window must be free from debris and thoroughly cleaned prior to application.

# Alpine Loop Technical Consulting, LLC - <u>Summary of Phase 1 Tech Refresh Items</u>

#### Telephony - VoIP system replacement (TIMING: ALTC RECOMMENDS IMMEDIATE NEED):

- 1. **Immediate health of Avaya PBX:** Site visit to assess health and update, if possible, any firmware, etc of PBX. Nathan at CommWest had one of his engineers evaluate pic he took of PBX controller, which basically indicated that the system was in need of software & firmware updates, which are not possible due to the system being **EOL** with Avaya.
  - a) System deemed high risk to LCAMC
  - b) The only vendor I know of in the western slope who supports Avaya is WSB (I assume they still do) and "PhoneZ +" Networking, GJ.
- 2. Bids for VoIP solution:
  - a) <u>Commwest Inc</u>: Their founder, Nathan Wallace, did site assessment on 10/13 and provided very reasonable monthly-cost quote for on-premise system replacement. Short of hearing back from Tuck below, recommend Nate's on-premise solution, whether leased or upfront capital purchase. Total lease cost per month is approximately \$907/month.
  - b) Note: Once fiber is in then perhaps LCAMC could go to hosted VoIP and save \$ on Lumen monthly costs
    - 1. Note: Need to see if we're paying WSB anything per month
  - c) Tuck Communications: Called and left VM on 9/1; again on 9/21; possibly Mytel VoIP
  - d) Networking Unlimited: Talked to their co-owner, who can spec a new system which they brand but they're all hosted solutions. I did not ask him to come out yet but I can. He's \$155/hr. I didn't b/c he recommended the above 2 vendors to possibly consult on Avaya (which thus far Commwest won't touch Avaya but maybe Tuck will once they call me back).

#### Security System - Digital Access Controls & Camera Surveillance System (TIMING: UP TO BOARD)

- 1. **Stone Security** (School provider) \$104,578 overall estimate in our inboxes
  - a) Video surveillance = \$41,181 (very heavily on-premise system based with licensing, etc.)
  - b) Video Intercom = \$3,574
  - c) Access controls = \$22,467
  - d) Total installation (labor), configuration, cabling, & travel (\$8k alone) = \$37,358
- 2. **Zions Security Alarms** \$78,805 overall security & access controls quote
  - a) Security cameras and controller system = \$44,475
  - b) Access controls = \$30,080
  - c) Intercom system = \$4,250
- 3. Alpine Loop Technical Consulting (Security Camera System ONLY) = \$10k to \$12k (See attached Network & Security Camera System estimates)
- 4. Peak (current provider) Rachel never heard back from
- 5. Reliant Security LLC I talked to their owner today but he charges a \$1,200 site survey for a bid, although refundable if we go with him. Should I have him come out?

Networking & Security Camera System (TIMING: ALTC RECOMMENDS IMMEDIATE NEED FOR AT LEAST NETWORKING SIDE):

# Alpine Loop Technical Consulting, LLC - <u>Summary of Phase 1 Tech Refresh Items</u>

- 1. Alpine Loop Technical Consulting (Security Camera System ONLY) = \$20,685 (estimated only)
  - a) Overall core networking components (particularly existing firewall/router) deemed high risk to LCAMC
  - b) For the exception of the proposed *netgate pfsense* high-availability (HA) firewall solution, the attached estimate is entirely Ubiquiti Unifi product line
    - 1. Downside is a significant portion of devices are not in stock at this time but the pfsense and Unifi router/controller & 24-port PoE switch are currently in stock.
  - c) ALTC recommends LCAMC board considers one of the above outside vendors for security access needs. If the board deems the camera system to be equal priority, ALTC recommends considering one of their camera system quotes for hopefully sooner implementation.

#### New LCAMC Website & Domain names (TIMING: DAN'S WEBSITE RENEWAL IS IN NOV. 2022)

- 1. Recommend new SquareSpace website by Nov 2022, since Dan's website costs will have to either be renewed or expire.
  - a) Alpine Loop Tech Consulting can do this and SEO, etc. for current \$95 hourly rate + cost to hosting with Squarespace and the purchase of one or more of the below suggested domain names, or purchasing lcamc.net from Dan Wampler. Estimated costs:
    - 1. \$25/yr. Transfer and purchase lcamc.net from Dan W
    - 2. \$25/yr. Purchase per domain below
    - 3. \$23/mo. (\$276/yr.) SquareSpace Business plan
    - 4. \$95/hr. x 30-40 hours (\$2,850-3,800) ALTC website labor for new website, which includes the below:
      - 1. Build new website/pages similar to current website
      - 2. Full SEO setup and configuration, to include 301 redirects
- 2. Until then, Dan can continue

lakecitymc.com (also available .org, .net, .us, etc)
lakecityamc.com
lakecitymedctr.com
lakecitymedcenter.com (avail but I think too long)

Icmedcenter.com Icamedcenter.com Icmedctr.com

#### Not available:

<u>lcamc.net</u> (owned by Dan, although I'm sure he'd sell it and it could be transferred off of his nameservers)

lcamc.com & .org (owned/taken elsewhere)

September 19, 2022

Lake City Area Medical Center

Thank you for the opportunity to propose this solution for your telephone system. The information is based on the data collected while on site. We have proposed this as a lease with support for a 60-month term. At the end of the lease, you will pay \$1 and you will own the equipment. We can do other options including a Capital purchase if that fits better for your budget.

I have included a cost comparison page showing the cost of the NEC 2100 and a Hosted phone system. As you will see the cost of the Hosted is higher over 60 months and will continue to increase each year, even with having to pay for the Lumen phone lines.

As discussed on site, I feel the premise system is a better solution for the Center for several reasons. #1 is reliability, by using a local system with local lines it will be less likely to have issues then an internet system. #2 with your current internet issues we do not recommend even attempting to do a Hosted solution. #3 is the long-term cost to the Center will be less with a premise system.

The proposed pricing includes the programming and installation of the system with travel costs. With the monthly payment I have included unlimited remote support to maintain and fix the system as you need help.

Please review the information and then let's set up a call to review and I can answer questions for you. I know you have your meeting on the 27<sup>th</sup> so I want to make sure you have all the information you need.

I will mail you several copies of this proposal also you have hard copies to work with.

Sincerely

Nathan Wallace President CommWest 970.242.8142

118 Jh

**September 15, 2022** 

**Proposal** 

Lake City Area Medical Center Jim H. and Rachel M. 970.944.2331

## New Phone System – NEC IP System

Description	Quantity
NEC 2100 System with Auto Attendant	1
Configured for 29 IP Phones, 6 Lines, 8 analog ports & voicemail	
NEC 32 Button IP Phone	29
Cordless Phone for Nursing Station	1
InMail Email Notification License	Included
Music on Hold	Included
UPS Battery Backup	1
System Support – Including Remote Program Changes, Greeting Updates & Troubleshooting	Included
Professional Services – Onsite Programming, Install & Training	Included

## Monthly Cost with Support: \$560.00/mo

#### Notes:

Sales tax not included. Cabling not included.

System support does not include cabling, building moves and other projects not listed.

Monthly finance cost proposed on a 60-month term with a 60-month warranty on proposed equipment.

Other purchase/lease options available. Warranty may vary.

CommWest recommends installing the system on a network with remote access. **Prices valid for 30 days from date of quote.** 

PC & Server Support ● Business Phone Systems ● Surveillance Network Support ● Cybersecurity ● Backup & Disaster Recovery

# **Lake City Area Medical Clinic**

**Phone Comparisons** 

Local Premise System:

**NEC 2100** 

Monthly Cost: System and Support \$560.00

Lumen Voice Line Cost: estimate \$346.80

Monthly cost: first 60 months \$906.80

First 60 months of operation costs: \$54,408.00

After first 60 months monthly cost drops to just carrier costs of \$346.80 (est.)

Plus support options if desired

<u>Hosted Solution</u>: Requires High Quality internet services

**NEC UCaaS** 

Monthly Cost: Hosted \$ 960.00 + taxes

Lumen Line Cost: \$ 0

Installations and Startup Costs: \$7,500.00

Monthly cost: \$960.00 + taxes

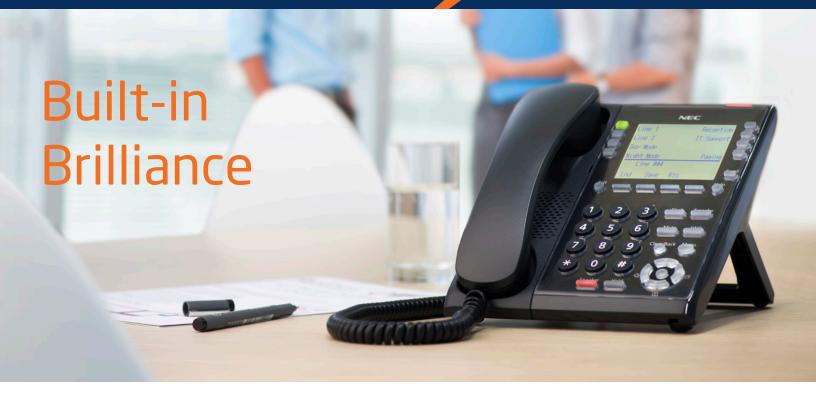

First 60 Month of operation costs: \$65,100.00

Cost Differential for first 60 months ~\$10,692.00

This comparison does not include internet costs which are needed on both options

The SL2100

# **Smart Communications for Small Business**

#### Why Choose the SL2100?

The way we do business and communicate is changing rapidly. Mobility has become the norm, customer expectations have soared and budgets have shrunk.

With the SL2100 communications solution, it increases your team's performance and creates a positive customer experience that generates repeat business.

It's highly cost effective because there's more built-in. With VoIP capabilities, it puts Unified Communications within reach of small businesses. Or, as a resilient TDM solution, it future-proofs your upgrade potential to IP. It also presents considerable savings and functionality over and above alternative hosted solutions.

Your business can't afford downtime and nor can your communications. The SL2100 provides a reliable, 'always on' solution. There's less hardware, less licenses and less maintenance to worry about.

#### Value for Money

- > Powerful IP communications with a small business price tag
- > Low cost entry into an entirely scalable IP solution
- > Lower operational costs considerably by making smarter use of your communications
- > A range of remote/home office options to help lower brick and mortar costs
- > Built-in features include:
  - 8 VoIP Resources
  - Voicemail
  - Music on hold
  - Mobility /Remote/Home Office Support
  - Auto Attendant
  - Audio Conferencing
  - Video Conferencing & Collaboration (license required)
  - Call Recording
  - Web RTC (Real-Time Communications)
  - InGuard Toll Fraud Protection
  - And more!

#### Easy to use

- > Intuitive features that the whole team can use, without the need for training
- > Desktop phones, wireless handsets and built-in applications include shortcuts that speed up working processes
- > Time-saving applications empower your team to become more productive

#### Keep them connected

- > Use your mobile phone to stay connected through your office number, from anywhere
- > DECT wireless communications maximizes reachability from anywhere on the premises

- > Built-in conferencing for business meetings reduces travel costs
- > Never miss important messages with enhanced voicemail to keep you up to date

#### Work Smarter - InUC

Intuitive applications to increase efficiency and productivity NEC's InUC delivers an integrated unified communications (UC) solution that enhances your organization's productivity and

solution that enhances your organization's productivity and collaboration. This productivity-boosting solution offers key functions that deliver excellent business benefits.

# Manage Communications from Your Desktop PC Plus More

InUC's web-based client is an intuitive application providing full call control from your PC screen. It offers a quick and easy way to manage calls and look up contacts. Users can update their presence status so that other users can see their status. Instant Messaging also allows instant communications between team members. It also provides video conferencing, collaboration and document sharing, which allows you to stay connected and productive from any location.

## The SL2100 Advantage

- > IP Technology
  - IP Networking
  - IP Trunks (SIP)
  - IP Telephones
- Mobility Options
  - SMB Wireless (ML440)
  - Digital DECT Wireless Handsets
  - Mobile Extension
  - Smartphone Client

- > Voicemail
  - Email Notification
  - Cascade Notification
  - Find Me / Follow Me
  - Call Recording
- > InUC (Unified Communications)
  - Desktop Call Control
  - Video Conferencing via WebRTC
  - Document Sharing

- Presence
- Instant Messaging
- Personal Contact Lists
- > Automatic Call Distribution (ACD)
  - 8 ACD Groups, 128 Agents, Flexible AIC Logins
- > Network Remote Office Locations
  - Share Voicemail, Transfer Calls and make Intercom Calls

- > Safety & Security
  - E911
  - InGuard Toll Fraud Protection
  - Doorphone for Screening Visitors
- Selection of IP and Digital Telephones

#### Support for Remote and Mobile Workers

Today's mobile workers depend on communication tools that accommodate flexible workspaces and allow free roaming wherever they are. The SL2100 ensures your team stays connected, but without escalating business mobile costs.

#### **Remote/Home Office Workers**

Users can enjoy a complete phone user experience from their home office with IP Desktop telephones plus greater working flexibility. Individual and business benefits include the cost and time savings of travel and even the associated costs of workspace.

#### On the Road

With the Smartphone SIP App, use your existing Smartphone as a system extension complete with call control. Save on mobile call costs and remain reachable on a single number. Simply connect to the SL2100 via Wi-Fi or across your Mobile Data Network (3G/4G).

#### In the Office

Stay connected and reachable with the SL2100's digital and IP mobile handsets. Take most of the features and functionality of your desktop phone with you as you take care of business throughout your building. Use any IP desktop phone as your own extension by manually logging in/out and use wireless headset adapters for hands-free operation.

#### Stay connected while on the move

## Remain reachable via a single number from anywhere

With Mobile Extension, take your office number with you when you're on the road. It provides access to system features such as caller ID, call transfer and voicemail and it really is like being in the office, whether you're traveling or sitting in traffic.

- > Company specialists can maintain high service standards when out of the office
- > Ensure salespeople never miss a call which could lead to a lucrative business opportunity when they're on the road
- > With DECT mobile handsets, keep in touch from any in-building location

#### Smartphone SIP App

#### Extend the capabilities of your smartphones

The SL2100 Smartphone SIP App functions as a Standard SIP station on iPhone® and Android™ smartphones. From your smartphone, it allows you to:

> Directly answer incoming calls to your office telephone

- > Make calls using your office telephone system and your office caller ID is displayed - masking your personal cell phone number
- > Utilize a Wi-Fi hotspot at the office, at home or even at a public hotspot - and not use any of your cellular minutes
- > Easily Hold and Transfer calls to other stations within your office telephone system
- > Access your work Voicemail directly from your smartphone

#### More than voicemail

#### Advanced features for enhanced communications

InMail is packed with powerful business features that make keeping up to date easier than ever. Message Notifications with the option to include audio attachments can be sent to your desktop phone, home office or mobile phone to allow you to monitor your mailbox effortlessly from wherever you are.

With the option of recorded personalized greetings, you can select the one most appropriate depending on your availability or the time of day. Additionally, the Call Record feature enables you to keep track of important discussions. Recordings can be emailed to colleagues and stored for quick reference at a later time

#### **Automatic Call Distribution (ACD)**

#### Handle incoming calls with ease

The SL2100's Automatic Call Distribution (ACD) efficiently routes callers based on pre-established criteria. ACD is great for people/customers who require assistance from any of multiple persons at the earliest opportunity. When all agents are busy assisting callers, the outside party can listen to periodic Announcement messages while waiting for an agent to become free. Callers can also overflow to another destination so that outside callers are not left waiting on hold for an extended period of time, making each interaction between your business and your customers quick and easy.

#### **Contact Center Software**

#### Monitor activity in real-time

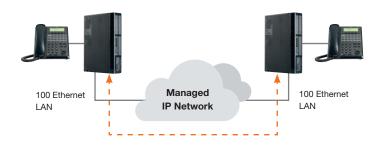

The SL2100's Contact Center software allows up to two Supervisors to monitor the real-time activity of the system's ACD, such as Agent State and ACD Queue Status, using their PC's. They can also run ACD/Contact Center activity reports, such as Agent Call Summary, Abandoned Calls, etc.

#### Networking

#### Extend the reach of your communications

With the SL2100's networking capabilities, you can extend the reach of your communications to remote offices and mobile workers. You can eliminate duplication and improve efficiencies

#### Sytem to System Networking Across WAN

by transparently sharing a single voicemail and intercom system. It also enables you to share trunks and transfer calls easily.

#### **SL2100 Digital Telephones**

Offers 12 or 24 programmable keys with LEDs, full duplex speakerphone, dual-color call indicator lamp.

#### **SL2100 IP Telephone**

Self-labeling IP telephone which supports gigabit connections and has 8 visible programmable keys with LEDs with the ability to scroll up to 32 keys total, backlit display, full duplex speakerphone, dual-color call indicator lamp and remote/home office functionality.

#### **DSS Console**

Provides 60 programmable keys with LEDs and is ideal for receptionists.

## SMB Wireless (ML440) IP DECT Multiline Handsets

Offers true on-site mobility with 4 programmable keys, 3 dedicated soft keys (Hold/Transfer/ Conf.), brilliant color display with graphical user interface, wideband two-way speakerphone, caller ID and a silent vibrator mode.

## **Digital DECT Handset**

Provides 2 line/24 character backlit display with feature icons, backlit keypad, 8 programmable keys, headset port and selectable ring tones.

# LAKE FORK HEALTH SERVICE DISTRICT BOARD OF DIRECTORS- REGULAR MONTHLY MEETING

# Today's Date is Tuesday, October 25, 2022.

<u>I.</u> The regular monthly meeting of the Lake Fork Health Service District was called to order by Lynn McNitt at 8:31 a.m.

<u>II. Roll Call</u>: In attendance were board members Lynn McNitt, Jerry Johnson, Hector Gomez and Jordan Kaminski. Katie Elkins is excused. Also present were Bill Gattis, Jim Hunsicker, Sherry Huisman, Jess Whiddon, Bernie Krystyniak and Bob Downs. Malinda McDonald is recording secretary.

#### **Board of Directors:**

President: Lynn McNitt Vice-President: Jerry Johnson Secretary: Hector Gomez Treasurer: Katie Elkins

Board Member: Jordan Kaminski

#### III. Workshop

## A. Executive Director Report-

#### 1. Financials-

a. 2023 Budget: corrections- staff training should not be an empty cell, it should read 7,800; employee health should not be 4,600, it should be 48,600

Dental Pat	ient Cou	nts
	2021	2022
September	21	51

Medical Patient Counts		
	2021	2022
September	324	319

a. 2022 Year to date review: line items that are over budget are in red; Rachel ran reports for each of these line items to see if there was anything out of the ordinary- 649 Dental Office Supplies, Dental Lab & Dental Supplies: think this is because Dr. Quigley has specific tools/instruments he prefers; 649 Dental Insurance Cost is Dr. Quigley's Liability Insurance, billed quarterly; 605.02 Accounting-LCAMC are the CPA and bookkeeper fees that are mostly consistent throughout the year, Cindy is paid hourly at \$25/hour; Total 610 Advertising: all the advertising for multiple positions including \$100/year that SW charges for random community ads (Happy New Year, LCCS Basketball, LCCS Graduation...); 640 Contract Labor: our Locum Tenen position and Jessica Whiddon; Total 655 Dues & Subscriptions: includes the providers' CEs, licenses, memberships to related field; nurses licenses, subscriptions to Zoom, SW, talk to text software...; 725 Postage self-explanatory; 734 Recruiting: ; 735.1 Building & Building Equipment: ; Total 735.2 Cleaning: ; Total 735 Repair & Maintenance: ; 723 Pharmacy & Medications, 750.1 Lab 750.2 Medical, & Total 750 Supplies: inflation; 770 Travel & Lodging: ;775.4 Gas & Total 775 Utilities: inflation; 777.1 Bio-Hazard Materials & Total 777 Waste Management: inflation & stuck in contract with no other vendors

- b. Riva Health: to help take some things off Rachel's task list, she looked into Riva Health, a Payment Engagement Platform. They work with our EMR system (Athena) to help increase cash flow; \$250 per month + 2% of payments; month to month contract
- c. Athena Enhanced Claims Resolution: to help take some things off Malinda's task list as she is training with Jessica to do denied claims, Rachel looked into adding this support form Athena; they would be completing 67% of the holds related to claims to increase reimbursements; 1.76% of collections (we currently pay Athena 8.25% of collections); month to month contract; first three months free

#### 2. Business Development

#### 3. Community Relations

#### 4. Personnel-

- a. Scheduled Rachel's 1 year review- Closed review will take place after the board meeting November 29<sup>th</sup>.
- b. Schedule Dr. Gattis' 2 year review- Closed review will take place after the board meeting November 29<sup>th</sup>.
- c. By-Laws review. Moved to November Meeting
- d. Workforce Housing Project: several parties are meeting on site (Town owned lot north of the Mosely Health Care Complex) Thursday, October 27<sup>th</sup> at 1:00 and then coming over to the clinic conference room to discuss plans
- e. Safety/Security Update: Jim Hunsicker was present to update board with the progress on technology updates. The core network items that were approved at the last meeting have been ordered and most have been received. Star link is installed. Looking into access control/security camera quotes, they have come in very high. Jim spoke with Jasper Roy and he is open to installing the Ubiquiti system Jim already has. He believes he and Jasper would be able to provide this for much less. Dan Wampler currently owns the domain *lcamc.net*. Rachel is going to reach out to him to see that he will release this over to the clinic as the clinic has maintained the domain fees.
- f. Review Appendices: All binders are located in the front desk/reception area.

#### 5. SDA Manual Review- Chapter 2 Conflicts of Interest

**Disclosure Required**: a Director shall disqualify him/herself from voting unless he/she has disclosed the conflict of interest to the Secretary of State and to the Board; the Director may not influence the decision of other Board members.

**Proscribed Acts Constituting a Conflict of Interest:** a potential conflict of interest exists when the Director is an executive officer or owns or controls, directly or indirectly, a substantial interest in any nongovernmental entity participating in the transaction; there are several specific DO NOTs listed here with three exceptions.

Guides to Conduct Regarding Ethical Principles: the three listed are only guides and do not constitute violations to the public trust or employment in local government

Conflicts Involving Developer Districts: not applicable unless we own underdeveloped land constituting at least 20% of the District's territory

Effect of Existence of Potential Conflict of Interest: failing to disclose a potential conflict of interest is a criminal misdemeanor and could result in prosecution. Any vote or other official act in which a Director has a potential conflict may result in the act or contract being voided.

#### B. Board Members Report-

Lynn- Believes that full time staff should be paid for holidays observed by the clinic even if they are not scheduled to work on that holiday. This will be an agenda item at the November meeting.

Jerry-

Katie-

Hector-

Jordan-

#### C. Medical Director Report-

- a. Dr. Gattis presented the proposed Opioid Reduction Policy and would like to see it reviewed and approved so the clinic may move forward. Dr. Gattis worked with Gary Witt on this policy and it has been presented to a health care attorney in Denver. Bob Downs and Sherry Huisman are on board and ready to move forward as well. The board will add this item to the agenda for approval today.
- b. Sherry Huisman approached Dr. Gattis about being able to take call from home on off season holidays. Dr. Gattis feels there are several options to approach this. In the end if there was something that required Sherry to be present in person she is an hour away which would be more than sufficient time to take care of lacerations and such. Sherry expressed willingness to drive the hour if necessary to be able to be home with her family on off season holidays. Bob Downs also agreed that this is a reasonable request because there are many instances where the provider can triage the patient and have an RN go in to the clinic and treat the patient as instructed by the provider. After discussion the board is willing to try it out and go from there.

#### D. **Dental Director**-

a. Additional Hygienist Position- Moved to November Meeting

#### E. Strategic Planning Update-

- a. One Day Strategic Planning Workshop with Wellborn and Associates- Rachel will be sending out dates to coordinate this meeting.
- b. Team Building through Team Based Care Grant- Moved to November Meeting

#### F. Any other items-

Snow mitigation work-No one has expressed interest in the construction project for snow/ice relief at the EMS back entrance. Lynn will ask the R&B if they will take time to shovel when they are plowing. Hector & Rachel will also monitor the ice and shovel as needed.

#### IV. MEETING-

A. Consider any updates to and approvals of the meeting agenda: To remove item B (2023 budget approval) and add to approve the Opioid Reduction Policy discussed in the workshop.

Motion: Jerry Johnson Second: Hector Gomez Vote: All vote yes Motion: Motion carries

B. Consider approval of 2023 Budget: Removed

	Motion: Hector Gomez Second: Jordan Kaminski
	Vote: All vote yes  Motion: Motion carries
	Motion: Motion carries
<u>D.</u>	Consider approval of Opioid Reduction Policy: To approve Opioid Reduction Policy effective
	November 1, 2022.
	Motion: Hector Gomez
	Second: Jordan Kaminski
	Vote: All vote yes
	Motion: Motion carries
